

**Ref : PMWALL**

### **New type of coat stand / garment rack**

WALL, the new coat stand / garment rack, combines a pure style with an innovative structure. Thanks to its original shape, it will easily fit into your workspace. It allows you to hang your coats, jackets and shirts with its great hanging ability. Thanks to its anti-slip pads, it is perfectly stable without the need to fix it to the wall.

#### **PRODUCT BENEFITS:**

- ▲ Modern and innovative design for this new type of trendy coat stand
- ▲ High capacity to hang clothes (max charge : 6 clothes / 30kg)
- ▲ Perfect stability without fixing it to the wall
- ▲ Supplied with 5 hangers (wood)
- ▲ A design innovation at low price
- ▲ Quick and easy assembly system without tools

**Quand le beau rejoint l'utile** *When beauty meets utility*
